Introduction

This Board of Directors' Governing Policies Manual (the "Governing Policies") contains the performance standards, values, and expectations of the Board of Directors ("the Board") of USA Swimming ("USA Swimming").

1. **Purpose:** The Governing Policies are designed to help the Board approach decisions from the perspective of its own previously established standards, values, and expectations by:
 - A. Elevating efficiency of having all ongoing Board policies in one place.
 - B. Quickly orienting new Board members to current policies.
 - C. Eliminating redundant or conflicting policies.
 - D. Having greater ease of reviewing current Board policy when considering new issues.
 - E. Providing clear, proactive policies to guide the President & CEO (the "CEO") and staff, as well as Board officers, members, and committees.
2. **Consistency:** The Board will ensure that each policy in this document is consistent with the law, the Articles of Incorporation, and the Bylaws, all of which have precedence over the Governing Policies. The Board will also ensure that the Governing Policies and organizational practices are consistent with and do not contradict the USA Swimming Rules and Regulations (the "Rules and Regulations") as established by the House of Delegates (the "HOD"). Except for time-limited or procedural-only Board decisions (e.g., approving minutes, electing officers, etc.), which are recorded in Board meeting minutes, all standing Board policies shall be included or referred to in the Governing Policies. The CEO is responsible for developing operational and administrative policies and procedures that are consistent with the standards set forth in the Governing Policies.
3. **Transition:** Unless a prior Board resolution or contract obligates the organization regarding a specific matter, the Governing Policies supersede previous Board resolutions. If an actual or apparent conflict arises between the Governing Policies and other policies or Board resolutions, the matter shall be brought to the Board's attention for resolution.
4. **Changes:** The Board will regularly review the Governing Policies and, as appropriate, refine them. Proposed revisions may be submitted for Board consideration by any Board member or by the CEO. Whenever changes are adopted, the updated document should be dated and promptly disseminated to the Board and CEO.
5. **Specificity:** Each new policy will be drafted to fit into the appropriate section of the Governing Policies. For consistency, policies should be drafted starting with the broadest policy statement, then adding specificity to the level of detail at which the Board would accept any reasonable interpretation when delegating further decisions relevant to that policy topic (i.e., to the Board Chair, Board Committees, or the CEO).

The Board will govern lawfully and in compliance with the USOPC's Bylaws. The Board will govern using Policy Governance principles, with an emphasis on: (a) integrity and truthfulness in all its activities and practices, (b) outward vision, (c) encouragement of diversity in viewpoints, (d) strategic leadership more than administrative detail, (e) clear distinction of Board and staff roles, (f) collective decisions, and (g) a focus on the future.

2. The Board will cultivate a sense of group responsibility for its own performance. The Board will lead USA Swimming by proactively setting performance expectations for its own work and for that of USA Swimming.
3. The Board will use the expertise of its members to enhance its understanding of issues, but it will not simply defer to that expertise as the judgment of the entire Board.
4. The Board will set performance standards and expectations for USA Swimming through the careful articulation of written policies. The Board's primary focus will be on the achievement of intended long-term outcomes for and on behalf of the membership, the USOPC, and the American public, not on the administrative/operational means of attaining those outcomes. As such, the Board's activities are strategic in nature and the Board delegates the authority and ability to operate day-to-day activities to the CEO.
5. The Board will establish and adhere to its own performance expectations pertaining to matters such as attendance, meeting preparation and participation, policymaking, respect of roles, speaking to management, the membership, and the public with one voice, and continually building the Board's governance capability and reputation.

 - ii. Current strategic issues: The Board Chair and the CEO will provide overview and background information on significant issues being addressed and likely to be decided upon early in new Board member's tenure.
 - iii. Operational overview: The CEO will help new Board members achieve a general understanding of USA Swimming (e.g., financials, key personnel, key products/programs/services, etc.).
6. Although the Board may change the Governing Policies at any time, it will diligently observe those currently in effect.
7. All policies of the Board are contained in the Governing Policies, and they remain in effect, unless amended or deleted by Board action.
8. The Board will be accountable to the membership, the USOPC, and the American public for competent, conscientious, and effective fulfillment of its governance obligations. The Board will not allow any officer, individual, or Board Committee to be an obstacle to this commitment.
9. The Board will regularly evaluate and strive to improve its performance. Self-assessment will compare Board activity and discipline to the standards set forth in Policies 2.0 through 2.10 ("*Board Process Policies*") and Policies 4.1 through 4.6 ("*Board-Management Delegation Policies*").

The Board shall exhibit operational and financial transparency; the Board's activities will be open and accessible to reasonable scrutiny by the membership, the USOPC, and the American public, with the exception of personnel or other matters of a sensitive nature. [Back to Table of Contents](#)

5. **CEO Annual Compensation Review:** As part of the Board's annual performance evaluation of the CEO, each year at the November meeting, the Board will summarize and review its judgments of monitoring activities (monitoring reports, audits, etc.) received during the last year and will determine any adjustments of the CEO's compensation and benefits, to be effective as of January 1. After that discussion, and prior to December 15, a subgroup of the Board selected by the Board Chair will meet and share with the CEO the Board's overall judgments of performance, including qualitative feedback. Determinations of any performance bonus/incentive compensation for a calendar year shall be determined at the first meeting of the subsequent calendar year and paid no later than February 28th.

Policy 2.4 Board Chair's Role and Authority

Date of adoption / Last revision: *January 30, 2026*

As USA Swimming's chief governance officer, the Board Chair's primary role is to be the presiding officer, ensuring the integrity of the Board's process. The Board Chair also leads meetings of the HOD and represents the Board to outside parties.

Accordingly:

1. The Board Chair's job is to ensure that the Board acts in a manner consistent with its policies and any requirements legitimately imposed upon it from outside the organization.

 - B. Deliberation will be fair, open, thorough, timely, orderly, and kept to the point.
2. The Board Chair is authorized to make decisions consistent with *Board Process* Policies and *Board-Management Delegation* Policies, except for (a) employment/termination of the CEO, or (b) decisions pertaining to matters about which the Board has specifically delegated portions of its authority to others. The Board expects ethical, professional, and lawful conduct, of itself and its members, including proper use of authority and appropriate decorum when acting as Board members.

Accordingly:

1. **Duty of Care:** Board members are to discharge their duties honestly and in good faith. Board members shall exercise the degree of care, diligence, and skill that a reasonably prudent person would exercise in similar circumstances.
2. **Duty of Obedience:** Board members must abide by USA Swimming's governing documents (i.e., the Articles of Incorporation, the Bylaws, the Rules and Regulations, and the Governing Policies). While vigorous debate is expected and encouraged, Board members are obliged to support the legitimacy and authority of the final determination of the Board on any matter, irrespective of the member's personal position on the issue.
3. **Duty of Loyalty:** Board members must demonstrate loyalty to the interests of USA Swimming, superseding any conflicting loyalties, such as to segments of the membership, family members, advocacy or interest groups, affiliated entities, staff, other organizations, or any personal interests as a member of the organization.

6. Board members will treat one another and staff members with respect, courtesy, and honesty.
7. Board members must respect the confidentiality appropriate to issues of a sensitive nature.
8. A Board member aware of credible information that suggests that a Board policy has been violated, by the Board, a Board member, or the CEO, has an affirmative obligation to bring the concern to the Board Chair. If the Board Chair is the subject of the concern, it should be brought to the Board Vice-Chair. If the CEO or a staff member is the subject of the concern, the Board will refer to its process in Policy 4.4 *Monitoring CEO Performance*.
9. If a Board member is alleged to have violated the Governing Policies:
 - A. The Board Chair (or Board Vice-Chair, if the Board Chair is the subject of the concern) will have an informal discussion with the individual whose action(s) are questioned. If this is not successful in resolving the concern, then:
 - B. The Board Chair will put the issue on the agenda for closed session. The respondent Board member will be allowed to present their views prior to the Board determining whether the action violated the Governing Policies.
 - C. A Board member found by the Board (by majority vote) to have violated the Governing Policies may be subject to subsequent censure or other Board action, as long as consistent with the Bylaws.

Policy 2.6 Board Members' Individual Responsibilities

Date of adoption / Last revision: *January 30, 2026*

Board member engagement and participation is integral to the Board's leadership. Therefore, each Board member is expected to fulfill the following responsibilities:

1. **Commitment:** Board members are expected to, upon appointment or election to the Board and annually, sign a Letter of Commitment indicating that they have reviewed and commit to abide by the Articles of Incorporation, the Bylaws, future Board resolutions, the Rules and Regulations, including the Code of Conduct, and the Governing Policies.
2. **Attendance:** Board members are expected to attend Board meetings on a regular and punctual basis. Absence from more than one of the regularly scheduled meetings in the Board's annual planning cycle will constitute that member's resignation from the Board. The annual planning cycle starts upon adjournment of the HOD annual meeting.
 - A. In case of extenuating circumstances, a Board member may request a waiver to this provision. Waivers may be granted by vote of the Board or at the discretion of the Board Chair. In the latter case, the Board Chair shall inform the Board of such waiver.
3. **Preparation and Participation:** Board members are expected to review agenda materials in advance of Board and committee meetings and to participate productively in discussions.
4. **Stewardship:** Board members are expected to be alert to the concerns of the membership, the USOPC, and the American public that can be addressed through USA Swimming's mission and Strategic Pillars.
5. **Responsiveness:** Board members will be attentive to Board communications and respond promptly to staff and Board member requests for feedback.
6. **CEO Relationship:** The CEO is accountable to the Board as a whole and not to individual Board members. Therefore, the relationship between the CEO and individual members of the Board, including the Board Chair, is collegial and not hierarchical.
7. **Volunteerism:** Board members may individually volunteer in operational capacities. In such situations, they are subject to the direct supervision of the CEO or responsible staff person.
8. **Members in Good Standing:** As Board members are recognized representatives of USA Swimming, they are expected to remain in good standing within the sport and their respective communities.
9. **Contributions to USA Swimming Foundation:** Each Board member is expected and required to make an annual personal financial contribution to the USA Swimming Foundation. The demonstration of support, rather than the amount of the contribution, is of principal importance.
10. **Participation in Organizational Activities:** Board members are also encouraged to (i) promote and support the activities of the USA Swimming Foundation; and (ii) attend the annual meeting of the HOD, and (iii) attend the USA Swimming National Workshop.
11. **Anti-Discrimination Training:** Board members must participate in any anti-discrimination training required by state and/or local law applicable to USA Swimming.

Policy 2.7 Board Committee Principles

Date of adoption / Last revision: *December 6, 2021*

The Board may establish additional Board Committees (“Additional Board Committees”) to supplement the Board Standing Committees that are set forth in the Bylaws, to help the Board be more effective and/or efficient in its work. Additional Board Committees and Board Standing Committees are collectively referred to as “Board Committees” in the Governing Policies. Board Committees are not to interfere with the Board’s delegation of authority to the CEO or the CEO’s delegation of authority to other staff.

Accordingly:

1. Board Committees are to help the Board do its job, not to help, advise, or exercise authority over staff.
2. Board Committees will ordinarily undertake activities not delegated to the CEO, such as by preparing policy alternatives and implications for Board consideration or performing specific monitoring functions.
3. Board Committees may only speak or act for the Board when formally given such authority for specific and/or time-limited purposes. Expectations and authority will be carefully stated in Policy 2.8 *Board Committee Structure* in order not to conflict with authority delegated to the CEO.

5. The composition of each Board Committee, as well as the number and purpose of committees, is to be evaluated no less than bi-annually to assure continuity and relevance. Unless otherwise stated in Policy 2.8 *Board Committee Structure*, appointments to Board Committees will take place after the first Board meeting following the annual HOD meeting.
6. This Policy applies to any group formed by Board action, whether or not it is called a committee and regardless of whether it includes Board members. This policy does not apply to committees formed under the authority of the CEO. Working groups and task forces may be established by the Board or the Board Chair.
7. Unless specifically authorized by the Board, a Board Committee may not make any commitment of organizational resources or funds.

If there is no individual currently serving in the Allied Member Director position, the House of Delegates will elect an additional individual in accordance with Bylaw 6.3, who shall be an at-large voting member.

1. **Recognition of Organizations:** By January 1 of each year,¹ any organization that satisfies the criteria to be an “Allied Member,” as defined by Bylaw 4.2.5, must submit a request to the Board to be identified as such. At the January/February² Board meeting, the Board will determine whether the organization is in fact an Allied Member. The Board will ensure that any such representation reflects the nature, scope, quality, and strength of the programs and competitions of the applicable organization in relation to all other programs and competitions in the sport in the United States. Only Allied Members may nominate individuals for election to fill the Allied Member Director seat.
2. **Call for Nominations:** If the Allied Member Director seat is currently open or an incumbent Allied Member Director’s term is in its final year, the Secretary and General Counsel shall, following the January/February³ Board meeting, inform any Allied Member(s) of the opportunity and deadline to nominate individuals to serve as the Allied Member Director. To ensure that prospective nominees are aware of the responsibilities and expectations of USA Swimming Board members, nominated individuals will be expected to complete the application form and review all other information as outlined in Policy 2.9.3.
3. **Nominations:** If this Allied Member Director seat is open, any Allied Member may nominate one individual (an “Allied Member Nominee”) to represent its interests and, if there are multiple Allied Members, to serve as a representative of their collective interests. The Allied Member must clearly state that it is submitting an individual for the Allied Member Director seat, by submitting the nominee’s name to the Secretary & General Counsel by the application deadline.
 - a. An individual may not be later designated as an Allied Member Nominee if not designated at the application stage by an Allied Member.
 - b. Each Allied Member may only submit one Allied Member Nominee per election cycle.
 - c. An Allied Member Nominee must fill out the application, social media consent form, and the Letter of Commitment, as outlined in Policy 2.9.3.
 - d. An Allied Member Nominee must also undergo the screening outlined in Policy 2.9.4.
 - e. The Secretary & General Counsel will conduct the screening process in Policy 2.9.4 to determine whether any Allied Member Nominee is eligible to serve on the Board. If the screening and eligibility requirements, including those in Bylaw 4.6, are met, the Secretary & General Counsel will inform the Allied Member that its Allied Member Nominee is verified. Otherwise, the Secretary & General Counsel will inform the Allied Member that the Allied Member Nominee has not met the screening and/or eligibility requirements and may not fill the Allied Member Director seat.

¹ For the 2022 election cycle only, this deadline will be extended to April 1, 2022.

² For the 2022 election cycle only, this reference to the January/February Board meeting shall be replaced by the Spring Board meeting.

³ For the 2022 election cycle only, this reference to the January/February Board meeting shall be replaced by the Spring Board meeting.

4. **Selection of Allied Member Director if Only One Allied Member Nominee**: If the Secretary & General Counsel determines that only one Allied Member Nominee has fulfilled the nominations requirements in Paragraph 3 and has met the screening and eligibility requirements in Policy 2.9.4, the Allied Member Nominee will commence a four-year term at the first meeting of the Board subsequent to the annual meeting of the House of Delegates that September.
5. **Election of Nominees if Multiple Allied Member Nominees**: If the Secretary & General Counsel verifies that more than one Allied Member Nominee has fulfilled the nominations requirements in Paragraph 3 and has met the screening and eligibility requirements in Policy 2.9.4, the following rules will apply instead of those in Paragraph 4.
 - a. By June 1, the Secretary & General Counsel will inform all Allied Members that there are multiple verified Allied Member Nominees, and that the Allied Member must collectively agree on who shall serve a 4-year term as the Allied Member Director.
 - b. The Allied Members will be informed that they must convey their collective decision to the Secretary & General Counsel no later than June 15. Failure to do so will forfeit all Allied Members' right to elect a direct representative to the Board in the current election cycle, resulting in the Nominating Committee having one additional at-large seat for which it is to propose at least two, and not more than three nominees, per Policy 2.9.6.
 - c. If there are multiple Allied Member Nominees, any Allied Member Nominee not selected by the Allied Members as the Allied Member Director may not run for any other open Board seats during the same election cycle.
 - d. The Allied Member Director shall not be eligible for election to a Board office, as prohibited by Bylaw 4.4.

Policy 3.9 Board Awareness and Support

Date of adoption / Last revision: *January 30, 2026*

The CEO will not cause or allow the Board to be uninformed or unsupported in its work. The CEO will not:

1. Withhold, impede, or confound information necessary for the Board's informed accomplishment of its job. The CEO will not:
 - A. Let the Board be unaware of any actual or anticipated noncompliance with the Strategic Pillars and adherence to *Management Parameters* Policies, regardless of the monitoring schedule set forth by the Board.
 - B. Let the Board be without objective background/decision information it periodically requests, or unaware of relevant trends or incidental information (e.g., anticipated adverse media coverage, threatened or pending lawsuits, or material external and internal/organizational changes). Notification of planned internal changes is to be provided in advance, when feasible.
 - C. Let the Board be unaware of any Board or Board member actions that, in the CEO's opinion, are not consistent with *Board Process* Policies and *Board-Management Delegation* Policies particularly in the case of Board or Board member behavior that is detrimental to the working relationship between the Board and the CEO.
2. Interact with the Board in a way that favors or privileges certain Board members over others except when:
 - A. Fulfilling individual requests for information, or
 - B. Responding to officers or committees duly charged by the Board.

Policy 4.0 Board/Management Connection

Date of adoption / Last revision: *December 6, 2021*

The Board's official connection to the operating organization, its achievements, and its conduct is through the CEO.

Policy 4.1 Unity of Control

Date of adoption / Last revision: *December 6, 2021*

The Board acts with one voice in establishing expectations of the CEO.

Accordingly:

1. No Board member, officer, or committee has authority over the CEO, or any member of the CEO's staff, except in rare instances when the Board member, officer, or committee has been explicitly authorized to direct or use staff resources for a specific issue.
2. Board members and committees may request information, but if such request—in the CEO's judgment—requires a material amount of staff time or funds or is disruptive, it may be declined. The committee or Board member may then refer the request to the full Board for consideration.

Policy 4.2 Accountability of the CEO

Date of adoption / Last revision: *January 30, 2026*

All Board authority delegated to management is delegated through the CEO. Therefore, the authority and accountability of staff, as far as the Board is concerned, is the authority and accountability of the CEO.

Accordingly:

1. The Board will not give instructions to any staff other than the CEO (without consent of the CEO).
2. The Board will not evaluate, either formally or informally, any staff other than the CEO.
3. The Board will consider and evaluate CEO performance as synonymous with organizational achievement of the Strategic Pillars and compliance with *Management Parameters* Policies. No performance measure established by the Board or a subset of the Board shall conflict with or modify this measure of performance.
4. Consequently, the CEO's accountability and evaluation will be based on performance in two areas:
 - A. Organizational achievement of the Strategic Pillars.
 - B. Organizational operations within the parameters of legality, prudence, and ethics established in *Management Parameters* Policies.

[Back to Table of Contents](#)

Policy 4.3 Delegation to the CEO

Date of adoption / Last revision: *January 30, 2026*

The Board will direct the CEO through written policies setting forth the Strategic Pillars to be achieved and organizational situations/actions to be avoided, allowing the CEO to use any reasonable interpretation of these policies.

Accordingly:

1. *The Strategic Pillars* direct the CEO to achieve certain results, for certain recipients at a specified worth or priority. These policies will be systematically developed from the broadest level, to more defined levels.
2. *Management Parameters* Policies define the boundaries of legality, prudence, and ethics within which the CEO is free to operate. These policies describe the practices, activities, decisions, and circumstances that would be unacceptable to the Board, even if effective in producing the desired results. Management Parameters will also be systematically developed from the broadest, most general level to more defined levels. To ensure accountability for performance, the Board will not prescribe organizational means delegated to the CEO.
3. The Strategic Pillars or Management Parameters policy at a given level does not limit the scope of any preceding level.
4. The CEO is authorized to establish further policies, make decisions, take actions, establish practices, and develop activities, as long as they are consistent with any reasonable interpretation of the Strategic Pillars and *Management Parameters* Policies.
5. The Board may change the Strategic Pillars and *Management Parameters* Policies, thereby shifting the boundary between Board and CEO domains. By doing so, the Board changes the latitude of choice and authority given to the CEO. However, as long as any particular policy delegation is in place, the Board will respect and support decisions made by the CEO that are consistent with reasonably interpreted Board policy.

Policy 4.4 Monitoring CEO Performance

Date of adoption / Last revision: *January 30, 2026*

The Board will systematically monitor CEO job performance, determining the extent to which the Strategic Pillars are being achieved and whether operational activities fall within boundaries established in *Management Parameters* Policies.

Accordingly:

1. Monitoring is simply to determine the degree to which the Governing Policies are being met. Information that does not address accomplishment of the Strategic Pillars and compliance with Management Parameters will not be considered in the Board's evaluation of CEO performance.
 - A. *Management Parameters* Policies will be monitored within written reports, per the schedule below.
 - B. The CEO will present verbal updates (documented in the meeting minutes) on the Strategic Pillars and OKRs at each Board meeting. At the last Board meeting of each year, the CEO will present written, final Strategic Pillars and OKR reports, for Board approval. If any activity related to the specific OKRs occurs after the final Board meeting, the CEO will provide an amended report at the first Board meeting of the next year, for Board approval.
2. In every case, the Board is committed to accepting any reasonable CEO interpretation of the Board Policy being monitored. The Board is the judge of reasonableness and will always use the "reasonable person" test (whether what the CEO did was what a reasonably prudent executive would do in that context), even if those choices differ from those the Board or any of its members may have made.
3. In every case, the Board will judge whether:
 - A. The CEO's interpretation is reasonable, and
 - B. Data demonstrates reasonable accomplishment of, or compliance with, the CEO's interpretation.
4. Interpretations determined by the Board not to be reasonable, or data determined not to demonstrate reasonable accomplishment of, or compliance with, a Board Policy as interpreted, will be subject to a remedial process agreed to by the Board. *Such discussions will be in closed session.*
5. All Policies instructing the CEO will be monitored at a frequency and by a method chosen by the Board. The Board may monitor any policy at any time by any method, but will ordinarily depend on the following routine schedule:

Policy 4.5 Board Access to CFO in Internal Auditor Capacity

Date of adoption / Last revision: *December 6, 2021*

Direct but limited access to the Board by the Chief Financial Officer (“CFO”), in an internal auditor capacity, is an exception to the exclusive role of the CEO in connecting governance and management.

Accordingly:

1. If after having brought to the CEO’s attention any financial impropriety discovered in the course of their own work, the CFO feels that the CEO has failed to address the impropriety, the CFO must report that impropriety to the Vice-Chair Fiscal Oversight.
2. Impropriety in this context means a material deficiency in financial management or a violation of the Governing Policies regarding financial affairs of USA Swimming.
3. Nothing in this Policy impedes the CEO from exercising their Board-granted prerogative to interpret applicable Board policies under the “reasonable interpretation” rule, nor does it remove from the Board the right to judge reasonableness. However, *impropriety* as used above can indicate that in the opinion of the CFO as an internal auditor, an interpretation made by the CEO is not “reasonable.”
4. The CFO is in all other ways subject to the CEO’s managerial authority, as are all other employees, and has no direct access to the Board except as described in this Policy. The CEO may not impede the CFO’s official access as an “internal auditor” as described in this Policy, or seek to inappropriately influence the content of the CFO’s reporting to the Board as set forth in this Policy.
5. Nothing in this Policy shall be deemed to limit or prohibit the Board from hiring external or internal auditors who report to the Board or any audit or other committees established by the Board for such purposes.

Policy 4.6 Board Relationship w/the Secretary & General Counsel

Date of adoption / Last revision: December 6, 2021

As USA Swimming's chief legal officer, the role of the Secretary & General Counsel is to ensure that the actions of USA Swimming's Board and its CEO take place with competent and prudent legal counsel and representation.

The following pertains exclusively to the Secretary & General Counsel's capacity as the chief legal officer of USA Swimming:

1. Accountability of the Secretary & General Counsel

- A. The Secretary & General Counsel is accountable to, and serves at the pleasure of the CEO, and shall also provide regular updates pertaining to governance-related issues to the Board Chair.
- B. If Board members or committees request information or assistance without Board authorization, the Secretary & General Counsel may refuse such requests that require, in their opinion, an inappropriate amount of staff time or funds or are disruptive. In such a case, the requestor may choose to bring the request to the Board.
- C. The Secretary & General Counsel is accountable for all resources, including personnel, under their control. Therefore, any accomplishments or violations due to actions of a subordinate of the Secretary & General Counsel are considered accomplishments or violations by the Secretary & General Counsel.
- D. The Secretary & General Counsel may accomplish the "Job Products of the Secretary & General Counsel" of the position in any manner not imprudent, unethical, or in violation of the prohibitions listed below under "Limitations on Secretary & General Counsel Authority."
- E. The Secretary & General Counsel may use any reasonable interpretation of Board policies.

2. Job Products of the Secretary & General Counsel

- A. Timely opinion on:
 - i. Any action or document submitted by the CEO for preparation or opinion.
 - ii. Legal ramifications of pending litigation.
 - iii. Legal process of the Board.
 - iv. Any action or document of the Board or of duly appointed Board Committees submitted for opinion.
 - v. When requested or appropriate, alternate language or action to achieve Board or CEO intentions in a lawful manner.
- B. If after having brought to the CEO's attention any non-financial operational impropriety discovered in the course of their own work, the Secretary & General Counsel feels that the CEO has failed to address the impropriety, the Secretary & General Counsel must report that impropriety to the Board Chair.
 - i. Impropriety in this context means a material deficiency in operational management or a violation of the Governing Policies regarding operational affairs of USA Swimming.
 - ii. Nothing in this Policy impedes the CEO from exercising their Board-granted prerogative to interpret applicable board policies under the "reasonable interpretation" rule, nor does it remove from the Board the right to judge reasonableness. However, *impropriety*, as used in Policy 4.6.2.B above, would indicate that in the opinion of the Secretary & General Counsel, an interpretation made by the CEO is not "reasonable."
- C. The Secretary & General Counsel shall keep, or cause to be kept, at the principal offices of USA Swimming:
 - i. A book of minutes of all meetings, proceedings, and actions of the Board and of the HOD. All minutes for at least the prior three years must be made publicly available by the Secretary & General Counsel on USA Swimming's website; minutes must be published quarterly, at a minimum. The Secretary & General Counsel must also provide any prior Board meeting minutes to the USOPC upon request.
 - ii. A copy of the Articles of Incorporation and the Bylaws, as amended.
 - iii. A record of the membership, showing each member's name, address, and class of membership;

- iv. A notice of all meetings of members and of the Board as required by the Bylaws to be given.
 - D. The Secretary & General Counsel shall supervise the activities of the Board when the Board (or a panel thereof) hears an appeal from a National Board of Review decision or in those matters where the Board accepts original jurisdiction.
 - E. The Secretary & General Counsel shall provide advice regarding avoidance of litigation or settlement of litigation, including:
 - i. Timely provision to the Board and the CEO on the status of all threatened/actual litigation and the status of any settlement negotiations.
 - ii. Diligent and competent representation of USA Swimming in litigation.
 - iii. Negotiations for settlement.
 - iv. Settlement of litigation, with authority as obtained from the CEO.
3. **Limitations on the Secretary & General Counsel Authority.** The Secretary & General Counsel shall not:
- A. Exercise authority over CEO or staff other than those directly reporting to Secretary & General Counsel.
 - B. Violate applicable codes of professional ethics and conduct.
 - C. Treat the public or staff in a disrespectful or unfair manner.
 - D. Fail to apprise the CEO of the status of settlement negotiations and all threatened/actual litigation.
 - E. Contract out legal services except as justified by excess workload or insufficient expertise of legal staff, and within the Board allocated budget for the Secretary & General Counsel's office.
 - F. Make expenditures or fiscal encumbrances beyond those authorized under Board policy.
 - G. Unreasonably withhold information from the CEO, nor fail to cooperate with the CEO in the performance of their official functions.
4. **Evaluation of Secretary & General Counsel Performance.**
- A. The Secretary & General Counsel accountability shall be established by the CEO, within the guidelines set forth above. The CEO shall be responsible for evaluating and compensating the Secretary & General Counsel.

Appendix A. Governing Principles

To ensure a design of its work that provides for systematic role clarity and accountability for both the Board and the operating organization, the Board acts and makes its governing decisions based on the following Governance Principles:

1. **Ownership:** The Board's authority is derived from, and its accountability is connected to, the membership, the USOPC, and the American public, standing in a position corresponding to shareholders in an equity corporation.
2. **Governance Purpose:** With the membership, the USOPC, and the American public above it and USA Swimming operations below it, the Board's governance role is to exercise its authority and properly empower others rather than to be management's consultant, substitute, or adversary.
3. **"One Voice":** The Board makes authoritative decisions directed toward management and toward itself, its individual members, and its committees, only as a total group, and it speaks to the public with one voice. The Board's authority, therefore, is group authority rather than a summation of individual authorities.
4. **Strategic Pillars:** The Board defines in writing the strategic results priorities describing intended organizational impacts, benefits, outcomes, recipients, and their relative worth (what results, for which recipients, at what cost/priority). These are not all the possible "side benefits" that may occur, but *those that form the purpose of USA Swimming, the achievement of which constitutes organizational success.*
5. **Board Means Policies:** The Board defines in writing those values-added behaviors, practices, disciplines, and conduct of the Board itself, and of its delegation/accountability relationship with the CEO. These decisions are categorized as *Board Process Policies* and *Board-Management Delegation Policies*.
6. **Management Parameters Policies:** The Board makes decisions with respect to management decisions and actions only in a proscriptive way in order to simultaneously (a) avoid prescribing means (how can it hold staff accountable for results if the Board has mandated the processes by which they are to be achieved?) and (b) put off limits those decisions or circumstances that would be unacceptable even if they work.
7. **Policy "Sizes":** The Board's policy decisions are made beginning at the broadest, most inclusive level and, if necessary, continuing into more detailed levels that narrow the interpretative range of higher levels, one articulated level at a time.
8. **Delegation to Management:** The Board honors the exclusive authority/accountability of the CEO's role as the sole official connection between governance and management.
9. **Any Reasonable Interpretation:** In delegating further decisions – beyond those recorded in board policies – the Board grants the CEO the right to use any reasonable interpretation of the Strategic Pillars and *Management Parameters Policies*. With regard to *Board Process Policies* and *Board-Management Delegation Policies*, the Chair is granted such authority, except when the Board has explicitly designated another Board member or party (e.g., committee or task force)
10. **Monitoring:** The Board monitors organizational performance through fair but systematic assessment of whether a reasonable interpretation of the Strategic Pillars and OKRs are being achieved and a reasonable interpretation of *Management Parameters Policies* is being complied with. This constitutes the basis of the CEO's evaluation.

Appendix B. Investment Policy

Date of adoption May 1990 / Last revision: *April 19, 2024*

The current USA Swimming Investment Policy can be found on the USA Swimming website below:
<https://www.usaswimming.org/about-usas/governance/rules-policies>.

Appendix C. Statement of Ethics and Conflict of Interest Policy

Date of adoption / Last revision: *December 19, 2024*

SECTION 1. STATEMENT OF ETHICS

USA Swimming, Inc. (“USA Swimming”) seeks to promote a culture of ethical conduct within its organization and throughout its membership. USA Swimming is committed to developing and implementing policies and procedures to equip its members with the guidance and resources necessary to navigate ethical issues. This Statement of Ethics and Conflict of Interest Policy (“Conflict of Interest Policy”) are intended to reflect certain organizational values, including respect for others, integrity and honesty, competence and accountability, and teamwork.

SECTION 2: CONFLICT OF INTEREST POLICY PURPOSE AND COVERED INDIVIDUALS

USA Swimming’s Board of Directors (the “Board”), officers, committee members, task force members, hearing panel members, volunteers, and employees (“Covered Individuals”) have the responsibility of administering the affairs of USA Swimming honestly and prudently, and of exercising their best care, skill, and judgment for the sole benefit of USA Swimming. Those persons shall exercise the utmost good faith in all activities and transactions involved in their duties, and they shall not use their positions within USA Swimming, or knowledge gained there from, for their personal benefit. The interests of the organization must be the first priority in all decisions and actions.

USA Swimming requires that Covered Individuals recognize and avoid activities, transactions, relationships, or investments that involve, might appear to involve, or could result in a perceived, potential, or actual conflict of interest. Additionally, where reasonable, contractors shall be required to comply with this Conflict of Interest Policy in their written contracts.

SECTION 3. CONFLICT OF INTEREST DEFINITION

A conflicting interest may be defined as an interest or relationship, direct or indirect, with any of the following:

1. Persons and firms supplying goods and services to USA Swimming.
2. Persons and firms from whom USA Swimming leases property and equipment.
3. Persons and firms with whom USA Swimming is dealing or planning to deal in connection with the gift, purchase or sale of real estate, securities, or other property.
4. Competing or affinity organizations.
5. Donors and others supporting USA Swimming.
6. Agencies, organizations, and associations which affect the operations of USA Swimming.
7. Relatives, friends, close associates, and other employees.

Such an interest might arise through the following activities, including but not limited to:

1. Owning stock or holding debt or other proprietary interests in any third party dealing with USA Swimming.
2. Holding office, serving on the board, participating in management, or being otherwise employed (or formerly employed) with any third party dealing with USA Swimming.
3. Receiving remuneration for services with respect to individual transactions involving USA Swimming.
4. Using USA Swimming’s time, personnel, equipment, supplies, or goodwill for anything other than USA Swimming-approved activities, programs, and purposes.
5. Receiving personal gifts or loans from third parties dealing or competing with USA Swimming.¹

¹ Additional information regarding the receipt of gifts is outlined in USA Swimming’s Gifts and Entertainment Policy.

For example, a member of the USA Swimming Nominating Committee (including athlete members) may have a perceived, potential, or actual conflict of interest if a family member is applying for nomination to the Board.

In the event an individual is unsure whether they may have a perceived, potential, or actual conflict of interest, they should contact the Ethics Committee.

SECTION 4. CONFLICT OF INTEREST POLICY INTERPRETATION

The relationships and activities of potentially conflicting interest listed in Section 2 are not exhaustive. Conflicts might arise through other relationships or activities. Covered Individuals must recognize such relationships and activities by analogy.

The fact that one of the interests described in Section 2 exists does not necessarily mean that a conflict exists, or that the conflict, if it exists, is material enough to be of practical importance, or if material, that upon full disclosure of all relevant facts and circumstances it is necessarily adverse to the interests of USA Swimming. However, Covered Individuals must disclose the existence of any of the relationships and/or activities described in Section 2 before any related transaction is consummated. It shall be the continuing responsibility of Covered Individuals to scrutinize their transactions and outside business interests, investments, and relationships for perceived, potential, or actual conflicts and to immediately make such disclosures to USA Swimming.

Additional guidelines intended to assist Covered Individuals when making personal decisions relating to ethical behavior and conflict of interest include:

1. The business of USA Swimming is to be conducted in observance of both the spirit and letter of applicable federal and state laws.
2. USA Swimming properties, services, opportunities, authority, and influence are not to be used for private benefit.
3. Expenses incurred in furtherance of USA Swimming business are to be reasonable, necessary, and substantiated.
4. All are expected to exhibit honesty, loyalty, candor, and professional competence in their relationships with USA Swimming and with each other.
5. Each Covered Individual has the responsibility to maintain the confidentiality of the organization. This includes both proprietary and sensitive information.

SECTION 5. DISCLOSURE POLICY

Each Covered Individual shall annually sign a Disclosure Statement which affirms such individual:

1. Has received a copy of this Conflict of Interest Policy,
2. Has read and understands this Conflict of Interest Policy,
3. Has agreed to comply with this Conflict of Interest Policy, and
4. Understands that USA Swimming is a charitable organization and in order to maintain its federal tax exemption it must engage primarily in activities which accomplish one or more of its tax-exempt purposes.

As new perceived, potential, or actual conflicts of interest arise, Covered Individuals must update their written disclosure.

Moreover, Board and committee minutes must include the following when a perceived, potential, or actual conflict of interest is involved in a discussion:

1. The names of the persons who disclosed or otherwise were found to have an interest in connection with an actual or possible conflict of interest, the nature of the interest, any action taken to determine whether a conflict of interest was present, and the Ethics Committee's decision as to whether a conflict of interest in fact existed.

2. The names of the persons who were present for discussions and votes relating to the transaction or arrangement, the content of the discussion, including any alternatives to the proposed transaction or arrangement, and a record of any votes taken in connection with the proceedings.

Additionally, the following individuals must complete separate disclosure forms:

1. Members of the Selection Procedure Approval Committee, who are responsible for the creation and enforcement of selection procedures
2. Any staff members involved in the creation and enforcement of selection procedures; and
3. Members of any panel empowered to resolve grievances.

The Secretary & General Counsel will distribute disclosure forms to the individuals listed above prior to (a) creating and enforcing a selection procedure or (b) sitting on a grievance panel. To the extent that any conflicts are identified in these Disclosure Forms, the Ethics Committee will review these Disclosure Forms as outlined above, prior to that individual's service.

SECTION 6. DISCLOSURE PROCEDURE

All Disclosure Statements will be provided to the Ethics Committee for review. The Ethics Committee must document its review of any disclosures, by demonstrating in its meeting minutes that each Disclosure Statement has been considered and drafting a memorandum to the Ethics Committee's file containing the evaluation of each disclosure. After disclosure of the perceived, potential, or actual conflict of interest and all material facts, and after any needed discussion with the interested person, the Ethics Committee shall decide if a conflict of interest exists and if there are mitigating measures that could be implemented to permit USA Swimming to move forward with the transaction or activity. If a member of the Ethics Committee discloses a perceived, potential, or actual conflict of interest, that member will recuse themselves from any discussion of the Disclosure Statement.

If the Ethics Committee determines that Covered Individuals must take certain steps to manage or avoid their perceived, potential, or actual conflict, that direction on conflict mitigation must be provided to the Covered Individual in writing and the Covered Individual must acknowledge receipt and understanding in writing, including recognition that directives must be followed as a condition of membership.

Transactions with parties with whom a conflicting interest exists may be undertaken only if all of the following, at a minimum, are observed:

1. The conflicting interest is fully disclosed to the Ethics Committee;
2. The Ethics Committee has reviewed the Disclosure Statement and considered alternatives to the proposed transaction or arrangement.
3. If the Ethics Committee determines that a more advantageous transaction or arrangement, free of any perceived, potential, or actual conflict of interest, is not reasonably possible under circumstances, the Ethics Committee shall determine whether the transaction or arrangement is in USA Swimming's best interest, for its own benefit, and whether it is fair and reasonable.
4. In conformity with the above determination, the Ethics Committee shall inform the Covered Individual and the Board or committee in writing whether there is a conflict of interest precluding USA Swimming from entering into the transaction or arrangement, or if there are mitigating measures that may be implemented to alleviate concerns regarding the perceived, potential, or actual conflict of interest.
5. The person with the conflict of interest must be excluded from the discussion and approval of such transaction.

Additionally, the following individuals must complete separate disclosure forms:

1. Members of the Selection Procedure Approval Committee, who are responsible for the creation and enforcement of selection procedures
2. Head Coaches and Assistant Coaches responsible for relay selection;
3. Any staff members involved in the creation and enforcement of selection procedures; and
4. Members of any panel empowered to resolve grievances

The Secretary & General Counsel will distribute disclosure forms to the individuals listed above prior to (a) creating and

enforcing a selection procedure or (b) sitting on a grievance panel. To the extent that any conflicts are identified in these Disclosure Forms, the Ethics Committee will review these Disclosure Forms as outlined above, prior to that individual's service.

SECTION 7. VIOLATIONS OF THE CONFLICTS OF INTEREST POLICY

Members of USA Swimming must report alleged violations of this Conflict of Interest Policy to the Ethics Committee, per the process described in the Whistleblower and Anti-Retaliation Policy. USA Swimming strictly prohibits any retaliation, as defined in the Whistleblower and Anti-Retaliation Policy, for reporting any alleged violations of this Conflict of Interest Policy.

The Ethics Committee will investigate reports of any alleged violation of this Conflict of Interest Policy. An investigation may include but is not limited to: a review of relevant documentation or policies, and/or interviews with witnesses. If the Ethics Committee has reasonable cause to believe a Covered Individual has failed to disclose an actual or possible conflict of interest, or if the Ethics Committee determines that a Covered Individual has not followed one of its directives subsequent to disclosure, it shall inform the Covered Individual of the basis for such belief and afford the Covered Individual an opportunity to explain the alleged failure to disclose.

After the Ethics Committee reviews the Covered Individual's response, it will generate a report of its investigation and findings, and submit such report to all interested parties, as well as to the President & Chief Executive Officer (the "CEO") of USA Swimming and the Board, via email. If the Ethics Committee determines the Covered Individual has failed to disclose an actual or possible conflict of interest, or violated one of its directives following a disclosure, it will take appropriate and reasonable disciplinary and corrective action, including, but not limited to, retroactive disclosure and/or removal from the Covered Individual's leadership position(s) within the organization. The severity of the disciplinary or corrective action will depend upon the severity of the violation.

In the event a member of the Ethics Committee is the subject of the alleged violation and subsequent investigation, the CEO shall refer the matter to outside counsel.

Any appeal of the Ethics Committee's decision shall be referred to the National Board of Review.

SECTION 8. CONTACT INFORMATION

The USA Swimming Ethics Committee and the Secretary & General Counsel are responsible for the enforcement of this Conflict of Interest Policy. All inquiries and questions should be referred to the Ethics Committee or the Secretary & General Counsel:

I. Purpose

The purpose of this Whistleblower and Anti-Retaliation Policy is to encourage Covered Individuals to report Violations (defined below) of certain rules and laws, to make Covered Individuals aware of their right to report Violations, and to protect Covered Individuals from retaliation for reporting such Violations and participating in subsequent investigations and adjudicatory proceedings.

II. Definitions

“Covered Individuals” are USA Swimming, Inc. (“USA Swimming”) members, including Board members, officers, employees, athletes, officials, committee and task force members, hearing panelists, and other volunteers. This definition includes USA Swimming members who are good faith reporters or other reasonable parties (e.g., cooperating witnesses and survivors). Where reasonable, contractors may be required to comply with this Policy through their written contracts with USA Swimming.

“Retaliation” is harassment, intimidation, threats, false reports of Violations, adverse employment decisions, and actions affecting one’s livelihood. This also includes the definitions of “retaliation” in the Ted Stevens Olympic & Amateur Sports Act (the “Act”),¹ the SafeSport Code for the Olympic & Paralympic Movement,² and the USA Swimming Rulebook.³

“Violations” are defined as reported allegations to USA Swimming (or a USA Swimming club or Local Swimming Committee), the U.S. Olympic & Paralympic Committee (the “USOPC”), the U.S. Center for SafeSport (the “Center”), or law enforcement of:

- A Covered Individual’s non-compliance with
 - o The Act;
 - o USOPC bylaws and policies;
 - o The rules and policies of the Center, including athlete safety violations;
 - o USA Swimming’s bylaws, policies, and procedures, including athlete safety violations;
- A Covered Individual’s potential violation of federal, state, and local laws; and
- A Covered Individual’s alleged accounting and financial fraud or malfeasance.

¹ “[A]ny adverse or discriminatory action, or the threat of an adverse or discriminatory action, including removal from a training facility, reduced coaching or training, reduced meals or housing, and removal from competition carried out against a Protected Individual as a result of any communication, including the filing of a formal complaint, by the Protected Individual or a parent or legal guardian of the Protected Individual relating to the allegation of physical abuse, sexual harassment, or emotional abuse, with the U.S. Center for SafeSport; a coach, trainer, manager, administrator, or official associated with the USOPC; the United States Attorney General; a federal or state law enforcement authority; the Equal Opportunity Employment Commission; or Congress.” Section 220501(b)(11) of the Act.

² “Retaliation is any adverse action or threat to take any adverse action against any person related to allegations of Prohibited Conduct. Adverse actions include, but are not limited to: threatening, intimidating, harassing, coercing, or any other action or conduct with the potential effect of dissuading any reasonable person from reporting Prohibited Conduct or engaging in activity related to any reporting or investigative processes. Retaliation may take place at any time, including before, during, or after an individual’s reporting or engagement in the processes of the Center or other relevant organization under the Center’s jurisdiction. Retaliation may be present even where there is a finding that no violation occurred. Retaliation does not include good-faith actions lawfully pursued in response to a report of a Code violation.”

Note: Nothing in this Policy replaces or changes an individual’s obligations to report violations under the SafeSport Code for the Olympic & Paralympic Movement or to law enforcement under mandatory reporting laws.

³ **307.1** No Member shall retaliate against any individual who has made a good faith report under 306.1 or 304.3.14.

307.2 For the purposes of 307.1, there shall be a rebuttable presumption that any adverse action regarding the employment, membership, or other material rights of an individual who has made a good faith report under 306.1 or 304.3.14 within 90 days of a report is retaliatory. An adverse action includes, without limitation: discharge or termination; demotion or reduction in compensation for services; or the removal of or from, or restrictions on, access to facilities, team activities or team membership privileges.

III. Prohibited Conduct

The following conduct is prohibited and subject to the jurisdiction of the USA Swimming Ethics Committee:

- Retaliation by Covered Individuals against other Covered Individuals (including cooperating witnesses and survivors) for reporting Violations and/or participating in investigations or adjudications of Violations.
- Bad faith reports (i.e., knowingly making a false report) by Covered Individuals of Violations by Covered Individuals.
- Actions or threats by an employee, contractor, agent, or volunteer, or USA Swimming, against an athlete as a reprisal for disclosing information to or seeking assistance from the Office of the Athlete Ombuds as outlined in Section 220509(b)(5) of the Act.

IV. Reporting Procedure

Reports of Prohibited Conduct should be made to USA Swimming's Ethics Committee, through the following form: <https://fs22.formsite.com/usaswimming/ViolationReportingForm/index.html>. Reports may be submitted anonymously (though it may be more difficult to evaluate anonymous reports). As members of the Ethics Committee, the following individuals will receive reports sent to the Ethics Committee: a 10-Year Athlete representative of the Board of Directors, an Independent¹ Board Member, a Semi-Independent² member of USA Swimming, and USA Swimming's Secretary & General Counsel.

Covered Individuals are required to report Prohibited Conduct to the Ethics Committee. Covered Individuals are also required to report Violations to the appropriate party with jurisdiction over the Violation (e.g., the USOPC, the World Aquatics Integrity Unit, law enforcement, etc.).

Specifically, complaints of Prohibited Conduct under the exclusive jurisdiction of the Center must be directed to the Center. If the Ethics Committee receives a complaint that may fall under the Center's jurisdiction, it must send the complaint to USA Swimming's Safe Sport Department, which will first report the matter to the Center. If the Center accepts jurisdiction, the Center will handle the matter and USA Swimming will have no ability to inquire further into the complaint; in that instance, the Ethics Committee will consider the matter closed. If the Center declines the matter back to USA Swimming, the Ethics Committee will have jurisdiction over any Prohibited Conduct under this Policy. To ensure that all inquiries and investigations are conducted by disinterested parties, if a member of the Ethics Committee is allegedly involved in or witness to the matter, they will recuse themselves.

V. Inquiry & Investigation

Upon receipt of a complaint, the Ethics Committee shall conduct an initial inquiry and, if appropriate, initiate an investigation of reports of Prohibited Conduct. The initial inquiry and/or investigation may include the following steps, among others: (1) a review of relevant documentation or policies, and/or: (2) interviews with the witnesses. The Ethics Committee may close a complaint at the initial inquiry stage. A complaint may not warrant investigation following an initial inquiry if, for example, the Ethics Committee determines that it does not have jurisdiction over the matter under this Policy, if there is insufficient evidence, or if the reporting party declined to participate in the initial inquiry.

If an investigation is conducted, once complete, the Ethics Committee may decide to initiate a complaint in the name of the Ethics Committee by filing the complaint with the National Board of Review ("NBOR") Chair and requesting a hearing. If the Ethics Committee does not decide to initiate a complaint following an investigation, it may advise the complaining party that, while the Ethics Committee will not initiate a complaint in its own name, the complaining party may still file their complaint directly with the NBOR Chair. The Ethics Committee may share its findings/closure with the NBOR Chair. If the complaining party chooses to go forward with the complaint, the NBOR Chair may then decide to either assign the matter for hearing or dismiss the complaint. The NBOR may impose any sanctions within its authority, per the USA Swimming Rulebook. Following a hearing (which must be before a panel with the requisite athlete representation requirements) and decision of the NBOR, any real party in interest may appeal any decision of the NBOR pursuant to Article 407 of the Rulebook.

The Ethics Committee should coordinate with USA Swimming's Human Resources Department if it receives any allegations

¹ As defined by USA Swimming Bylaw 4.6.4.

² As defined by the USA Swimming Rulebook.

of Prohibited Conduct involving employees. USA Swimming may discipline (up to and including termination of employment or other association with USA Swimming) a Covered Individual for any such Prohibited Conduct. If during an investigation, the Ethics Committee finds that an employee has Retaliated (as defined by the Act) against a “Protected Individual,”¹ the Ethics Committee must immediately report the Retaliation to USA Swimming; USA Swimming must immediately terminate or suspend that individual without pay as required by Section 220509(c)(2) of the Act.

VI. Confidentiality

All reports will be treated as confidentially as possible, given that there may need to be some disclosure to conduct the investigation. For example, USA Swimming may need to waive confidentiality under this Policy based on legal reporting requirements.

Appendix E. Gifts & Entertainment Policy

Date of adoption: December 6, 2021

USA SWIMMING GIFTS & ENTERTAINMENT POLICY

SECTION 1. PURPOSE

USA Swimming is committed to sustaining an ethical workplace free of conflicts of interest and perceived conflicts of interest. USA Swimming therefore has adopted this Gifts & Entertainment Policy to provide instruction to the USA Swimming Board of Directors, officers, committee members, task force members, hearing panel members, volunteers, and employees, and, by extension, their spouses and immediate family members (“Covered Individuals”) regarding how to handle offers of gifts or other forms of entertainment from individuals or companies that do business with, or are interested in doing business with, USA Swimming. Additionally, where reasonable, contractors shall be required to comply with this Policy in their written contracts.

This Policy should not be considered in any way as an encouragement to make, solicit, or receive any type of gift or entertainment. Covered Individuals may not, under any circumstances, actively solicit any type of gift or entertainment. Further, USA Swimming will not under any circumstances permit or authorize participation in any gifts or entertainment that might be considered lavish, inappropriate, or illegal.

SECTION 2. RECEIVING BUSINESS COURTESIES

A. Current Business Partners

Covered Individuals may accept gifts from individuals and companies that currently do business with, or make donations to, USA Swimming as follows:

- 1) Partner/sponsor/supplier products and partner/sponsor/supplier-branded products (e.g., logoed jackets) with a total value of under \$1,000 per person, per year, per individual/company;
- 2) Other gifts with a value of no more than \$500 per person, per year, per individual/company;
- 3) Invitations for the Covered Individual to attend sporting events with an individual/company representative (including travel to and from such events only to the extent approved in advance by USA Swimming’s Ethics Committee);
- 4) On an infrequent basis, invitations for a spouse or family member to join the Covered Individual at sporting events with an individual/company representative;
- 5) Invitations to attend fundraising events with an individual/company representative at no cost to the Covered Individual;
- 6) Invitations to attend other social, educational, or entertainment events intended to enhance the business relationship, provided that the cost of the event does not exceed \$500 per Covered Individual per event and \$1,000 total per individual/company per year; and
- 7) Perishable or consumable gifts provided that the gift is reasonable and not unduly lavish.

B. Prospective Business Partners

Covered Individuals may accept gifts from individuals and companies that are not current business partners of USA Swimming, but that may or may not be seeking to engage in a business relationship with USA Swimming as follows:

- 1) Gifts with a value of not more than \$500 per Covered Individual, per year, per individual/company;
- 2) Invitations for the Covered Individual to attend sporting events with an individual/company representative (and travel to and from such events, only to the extent approved in advance by USA Swimming's Ethics Committee);
- 3) Invitations to attend fundraising events with an individual/company representative;
- 4) Invitations to attend other social, educational, or entertainment events intended to promote the possible business relationship, provided that the cost of the event does not exceed \$500 per Covered Individual per event, and \$1,000 total per Covered Individual per individual/company per year.

C. Limitations

Covered Individuals may never accept cash or financial instruments, such as checks or stocks. Under the guidelines set forth herein, Covered Individuals may accept gift certificates or gift cards.

SECTION 3: DISCLOSURE AND APPROVAL

All gifts or invitations that exceed the above limits, and all invitations that involve the third party paying for the Covered Individual's travel and/or overnight accommodations, must be promptly reported to the Ethics Committee in advance and in writing, before they may be accepted. Where the gift or invitation is made to a member of the Ethics Committee, that member of the Ethics Committee must recuse themselves from review of the gift or invitation.

In addition, the Ethics Committee shall have the right, in consultation with the Covered Individual, to require that any gift(s) be returned, donated to the USA Swimming Foundation, or donated to another agreed-upon charity if the Ethics Committee believes that such gift(s) is not proper and/or creates an appearance of impropriety.

The Gift Disclosure form is attached hereto.

SECTION 4: EXTENDING BUSINESS COURTESIES

A. General Rules

There may be times when a USA Swimming employee or Board member wishes, as a business matter, to extend to a current or potential USA Swimming business associate (i.e., an individual or company) a gift or an invitation to attend a social event (e.g., reception, meal, sporting event, or theatrical event) to further or develop a business relationship. Additionally, there may be times when a current or potential USA Swimming business associate (i.e., an individual or company) wishes, as a business matter, to extend to a USA Swimming employee or a Board member a gift or an invitation to attend a social event (e.g., reception, meal, sporting event, or theatrical event) to further or develop a business relationship. In such instances, gifts may not exceed \$500 in value per person per year, without the prior written approval of the Ethics Committee.

Invitations to events must be reasonable and appropriate. Topics of a business nature must be discussed at the event, and the USA Swimming employee or Board member must be present. The cost associated with such an event should not exceed \$500 per person/company per year, except with regard to sporting events and fundraising functions, without the prior written approval of the Ethics Committee. Moreover, such business entertainment with respect to any particular individual must be infrequent, which, as a general rule, means not more than four times per year. Frequency beyond the foregoing must be pre-approved in writing by the Ethics Committee. To the extent the USA Swimming employee or Board member has knowledge of applicable restrictions by a recipient's organization on gifts and entertainment, the USA Swimming employee or Board member must undertake best efforts for all business entertainment and gifts to comport with the restrictions imposed by the recipient's organization.

USA Swimming employees or Board members may give gift certificates within the limits set forth in this Policy, but may never give cash or financial instruments, such as checks or stocks.

B. Development Division

USA Swimming recognizes that the limits set forth in Section 4(A) may hamper the ability of the Development Division and

its employees to perform their job functions as they relate to the USA Swimming Foundation. Thus, the foregoing limits will not apply to the Development Division employees if the invitation or event is part of normal and reasonable job duties and the event is not lavish or unreasonable. For Development Division employees only, the cost of gifts and events for which no prior written approval is required is \$1,000 per person per year. To the extent any gift or invitation would exceed that limitation, the Development employees should ensure that such gifts or invitations are disclosed with sufficient advance notice to permit the receipt of prior written approval from the Ethics Committee.

C. Government Employees

The giving of gifts to federal, state, and local government employees is governed by a complex set of rules that is typically agency-specific. Generally, the giving of gifts to government employees is very limited or prohibited. Before offering a gift to a government employee, of any value, a Covered Individual must receive the approval of the Ethics Committee in advance and in writing.

D. Disclosure And Approval

All gifts or invitations offered by a USA Swimming employee or Board member must be covered by the appropriate USA Swimming budget and must be approved in advance by the appropriate USA Swimming supervisor. All gifts or invitations extended that exceed the limits and/or parameters noted above must be disclosed to, and approved in advance and in writing by, the Ethics Committee before they may be offered.

SECTION 5. CONTACT INFORMATION

The USA Swimming Ethics Committee and the Secretary & General Counsel are responsible for the enforcement of this Gifts and Entertainment Policy. All inquiries and questions should be referred to the Ethics Committee or the Secretary & General Counsel:
