Sample Website

Step 1. Have a Club Safe Sport Page on your website. This page should include resources and the very minimal expectation of information is included in this example.

- The webpage should be accessible by everyone and should not require a login.

Step 2. Include your club Safe Sport Coordinator name and contact details.

Step 3. Include USA Swimming reporting and contact information.

Step 4. Include U.S. Center for SafeSport reporting and contact information.

Step 5. Add your club's Minor Athlete Abuse Prevention Policy on your website.

- Must be customized with your club's name.

Step 6. Add the Best Practice Guidelines
